INSTRUCTIONS

The filing of a bankruptcy case creates an "estate" under the jurisdiction of the bankruptcy court which consists of all of the property of the debtor, wherever that property is located. Because the bankruptcy estate is so extensive and the jurisdiction of the court so broad, there may be lawsuits over the property or property rights of the estate. There also may be lawsuits concerning the debtor's discharge. If such a lawsuit is filed in a bankruptcy court, it is called an adversary proceeding.

A party filing an adversary proceeding must also must complete and file Form 1040, the Adversary Proceeding Cover Sheet, unless the party files the adversary proceeding electronically through the court's Case Management/Electronic Case Filing system (CM/ECF). (CM/ECF captures the information on Form 1040 as part of the filing process.) When completed, the cover sheet summarizes basic information on the adversary proceeding. The clerk of court needs the information to process the adversary proceeding and prepare required statistical reports on court activity.

The cover sheet and the information contained on it do not replace or supplement the filing and service of pleadings or other papers as required by law, the Bankruptcy Rules, or the local rules of court. The cover sheet, which is largely self-explanatory, must be completed by the plaintiff's attorney (or by the plaintiff if the plaintiff is not represented by an attorney). A separate cover sheet must be submitted to the clerk for each complaint filed.

Plaintiffs and Defendants. Give the names of the plaintiffs and defendants exactly as they appear on the complaint.

Attorneys. Give the names and addresses of the attorneys, if known.

Party. Check the most appropriate box in the first column for the plaintiffs and the second column for the defendants.

Demand. Enter the dollar amount being demanded in the complaint.

Signature. This cover sheet must be signed by the attorney of record in the box on the second page of the form. If the plaintiff is represented by a law firm, a member of the firm must sign. If the plaintiff is pro se, that is, not represented by an attorney, the plaintiff must sign.

COMPLAINT TO DETERMINE DISCHARGEABILITY OF STUDENT LOANS

MICHAEL GUS MCGEE, Debtor and Plaintiff in this action, hereby moves this Court for discharge the Student Loans Debt pursuant to 11 USC 523(a)(8) by submitting the following facts and circumstances:

PRELIMINARY STATEMENT

1. This is an adversary proceeding brought under the Bankruptcy Code, 11 U.S.C. § 523(a)(8) to determine the dischargeability of educational loans made and issued by financial institutions or private corporations, and/or insured or guaranteed by a governmental agency.

JURISDICTION AND VENUE

2. Debtor filed a voluntary petition under Chapter 7 of the Bankruptcy Code on July 13, 2016, Case No. 16-31066, in the El Paso Division of the United States Bankruptcy Court for the Western District of Texas. This Court has subject matter jurisdiction over the instant proceeding and this action pursuant to Federal Rule of Bankruptcy Procedure 7004(f) and 28 U.S.C. § 1334(b). Venue is proper in this court pursuant to 28 U.S.C. § 1409(a).

3. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(I). Debtor initiates this proceeding under 28 U.S.C. § 157(b)(2)(I) to determine if his student loans are dischargeable because they cause him to suffer an undue hardship.

PARTIES

4. Plaintiff is an adult individual who resides at 1108 Hunter Drive at El Paso, Texas 79915 and in the County of El Paso, State of Texas. He is the Debtor in the above-captioned bankruptcy case.

5. There are nine unsecured debts owing by the Debtor and listed in Schedule E/F. The nine debts are unsecured student loans owing to the following Defendants that include: Sallie Mae; Navient; U.S. Department of Education; Wells Fargo Education Financial Services; The Education Resources Institute (TERI); JP Morgan Chase Bank, N.A.; NelNet; National Collegiate Trust; and, Citizens Bank which is formerly Charter One Bank, N.A.

6. Defendants are private corporations, financial institutions, or governmental agencies responsible for the overall operation of the guaranteed student loan program. Each of the Defendants shall each be served with this complaint and adversary proceeding summons pertaining to this motion by certified mail through the U.S. Postal Service by the Plaintiff addressed to the identified officers of said institutions through an adult that is not a party in the case. Plaintiff shall serve the same summons and complaint to the United States Trustee - EP 12 and the Trustee, Ronald E. Ingalls, assigned to this case by first-class mail through the U.S. Postal Service. Plaintiff shall then file a Certificate of Service that will subsequently be signed by the adult that is not a party in this case with the bankruptcy court clerk verifying the proof of service of the summons and complaint were timely served upon each of the defendants, trustee, and U.S. trustee.

STUDENT LOANS INFORMATION

7. The following student loans information are approximations and is recalled and submitted to the best of the Debtor's memory. Debtor is uncertain of the amounts owed, as well as who owns or is in physical possession of the promissory notes evidencing the student loans debt.

8. The student loans by Sallie Mae of about \$180,000 is a Delaware for profit corporation that paid the educational expenses of the Debtor at University of Texas at El Paso. Navient is believed to be the guarantor and currently services the student loan by Sallie Mae.

9. The student loans by National Collegiate Trust of about \$90,000 is a Pennsylvania and Massachusetts for profit corporation that paid the educational expenses of the Debtor at University of Texas at El Paso. The Education Resources Institute (TERI) is believed to be the guarantor and currently services the student loan owned by National Collegiate Trust.

10. The student loans by JP Morgan Chase Bank, N.A. of about \$60,000 is a Ohio for profit financial institution that paid the educational expenses of the Debtor at the University of Phoenix. JP Morgan Chase Bank, N.A. is believed to be the guarantor and currently services its own student loan and also reported a Cancellation of Debt to the Internal Revenue Service, adding that sum as taxable income to the Plaintiff's 2013 income tax return.

11. The student loans by Wells Fargo Education Financial Services of about \$35,000 is a South Dakota for profit financial institution that paid the educational expenses of the Debtor at the University of Phoenix. Wells Fargo Education Financial Services is believed to be the guarantor and servicer of its own student loan.

12. The student loans by Charter One Bank, N.A. of about \$30,000 is an Ohio for profit financial institution that was renamed Citizens Bank and remains a Ohio for profit financial institution that paid the educational expenses of the Debtor at the University of Phoenix. Citizens Bank is believed to be the guarantor and servicer of its own student loan.

13. The student loans by NelNet is a Nebraska and Georgia for profit financial institution that paid the educational expenses of the Debtor at the University of Texas at El Paso of about \$60,000 and more recently to Grand Canyon University of about \$40,000. NelNet currently owns and servicer of its own student loan.

14. The student loan by the U.S. Department of Education is a consolidated loan that paid about \$210,000 of outstanding student debt from various student loan entities on or about May 2016. The loan paid off the educational expenses from various financial institutions to include Bank of America, American Education Services, and NelNet, as well as private corporations to include American Collegiate Trust which paid for student loans sought to attend and complete University of Texas at El Paso and University of Phoenix. The same consolidation paid to attend

the Concord Law School program at Kaplan University but Plaintiff did not complete that program because Debtor learned the law program was not ABA accredited. The student loans that were paid through consolidation are not named as defendants because it is believed there is no present balance with those loan services agencies or financial institutions. The U.S. Department of Education is an executive agency of the government of the United States of America. NelNet also currently services the student loan consolidation that is owned and insured by the U.S. Department of Education.

15. Excepting the student loans from discharge would impose an undue hardship on the Debtor. Thus, the Defendants are sued by the Plaintiff to discharge the student loan debts pursuant to 11 U.S.C. § 523(a)(8). Accordingly, Section 523(a)(8) of the Bankruptcy Code, as revised in 2005, states:

unless excepting such debt from discharge under this paragraph would impose an undue hardship on the debtor and the debtor's dependents, for--(A)(i) an educational benefit overpayment or loan made, insured, or guaranteed by a governmental unit, or made under any program funded in whole or in part by a governmental unit or nonprofit institution; or (ii) an obligation to repay funds received as an educational benefit, scholarship, or stipend; or (B) any other educational loan that is a qualified education loan, as defined in section 221(d)(1) of the Internal Revenue Code of 1986, incurred by a debtor who is an individual.

16. The Court has the authority to grant relief by ordering the discharge of the Debtor's student loans as demonstrated in previous court rulings and pertinent case law. One such ruling is *Mabry v. US Department of Education* (2008). Please see *Mabry*, 398 B.R. 339 [240 Ed. Law Rep. 255] (Bkrtcy. E.D. Mo. 2008), which is substantially similar to the present case. In that

case, the bankruptcy court discharged the student loan debt, because the debtor was homeless, penniless, and unemployed. In this present case, the Debtor is homeless, penniless, and unemployed. Plaintiff believes he is entitled to the relief of discharging the student loans debt as the Mabry court found and ruled in that case.

FACTS OF FINANCIAL ABILITY AND SITUATION

17. Plaintiff has a desire to repay all or some portion of his educational loan debt; however, due to the Plaintiff's circumstances and situation render him unable to repay his educational debt including accrued interest, now or for many years.

18. Debtor submits the following information, background, and evidence that supports the debtor's request for discharge of the student loans debt:

a. Debtor is currently totally indigent. The sole income of the Debtor is food stamps of \$194. He is not able to pay anything towards the student loans debt. Plaintiff received educational funds to attend college and were for educational benefit and were or are qualified educational loans, therefore each of the defendants fall under the provisions of 28 U.S.C. § 523(a)(8). The student loans serviced by JP Morgan Chase with a debt of over \$60,000 was already written off as uncollectable, which then created an IRS Tax Debt for the 2013 tax year. The Cancellation of Debt by JP Morgan Chase, N.A., a student loan service provider, imposed an IRS Tax Debt, as indicated on the Debtor's Schedule E/F;

b. Debtor's financial condition has persisted for a time and will continue to persist. If required to repay the student loan debt, which is in excess of \$300,000, it will require the standard of living to REMAIN and PERSIST under a minimum level. Debtor's circumstances condition shall remain for a considerable and probably a permanent amount of time. Debtor was gainfully employed as a licensed professional counselor until July 26, 2013. He

was making over \$100,000 per year and was paying his bills, supporting his daughter, and making payments towards his son's child support arrears. Debtor was making a good faith effort in paying his student loans by making payments to the student loans, until he was unable to repay to any of the student loans as a result of the below indicated circumstances. Debtor then consolidated the student loan debt on May 26, 2015 through the U.S. Department of Education. NelNet is the loan servicing provider of the consolidation loan, but the Debtor's situation renders him unable to pay towards the student loans or consolidation loan once it will be due December 29, 2017. NelNet, the student loan servicer, will undoubtedly submit a Cancellation of Debt after December 2017 to the Internal Revenue Service as a result of the Debtor's inability to pay;

c. Debtor's legal and criminal history severely impairs the debtor's ability to secure any meaningful employment. Debtor will not be able to secure a position as a licensed professional counselor due to the serious nature of the criminal charge that will permanently remain in his criminal record and is accessible to licensing and state agencies. In September 2013, the Debtor was charged, and in July 31, 2014, the Debtor entered a guilty plea to Sexual Assault of a Child. The case was placed under deferred disposition under 4 R.R. 712. The July 31, 2014 "Order of Deferred Adjudication" was signed by the El Paso County, Texas, 171st Judicial District Court on August 6, 2014 (see Exhibit A);

d. Debtor's legal situation and condition will continue until July 31, 2024. The complaining witness in the sexual assault and her mother have signed affidavits that they fabricated the charge against the Debtor, Michael Gus McGee; the mother of the complaining witness was paid by the mother of the Debtor's daughter, Rosa Isela Coleman. The affidavits dated September 26, 2013 of the complaining witness (see Exhibit B) and February 25, 2015 of the mother to the complaining witness (see Exhibit C) indicate that the mother of the

complaining witness was paid \$7,200 by Rosa Isela Coleman to fabricate the criminal charges, and the daughter was coerced to complain that she was sexually assaulted by the mother, that they lied to the police about the crime, that the mother of the victim broke into the home of the Debtor to steal personal belongings to use in fabricating evidence against Michael Gus McGee, and to otherwise steal from the Debtor. Furthermore, the perpetrator of the burglary was Susana McCann, by admission, who stole various belongings, work forms, property and money, as well as many papers that included promissory notes of many lenders and academic work. The reason for the daughter's mother wanting to fabricate criminal charges against Michael Gus McGee was due to him obtaining custody of their daughter when the daughter was four years old, who was then 16 years old; and,

e. The career of the Debtor cannot be corrected due to this criminal conviction. It will always remain on the Debtor's occupational and professional license, criminal arrest record, and criminal history. As such, the Debtor is unemployable, and even if able to be employed, the Debtor argues he will be unable to earn a sufficient living to repay the large sum of student loan debts while attempting to maintain a minimum standard of living and having to pay overdue arrears of over \$24,000 owed in his son's self-case (re: Eribez v. McGee, D376077) and arrears of over \$15,000 owed in his daughter's county aid case (re: County of San Diego v. McGee, D442944) that originate from the County of San Diego, Family Support Division, Superior Court of California.

19. Debtor has remained unemployed since July 27, 2013 as a result of the indicated circumstances and identified events. Debtor's sole source of income has been the younger brother or aunt paying various basic living expenses, legal costs, and punitive fees on the Debtor's behalf. Debtor is currently court ordered to receive \$100 per month from the mother of

his daughter for arrears through the Family Support Division in the County of San Diego, Superior Court of California, as evidenced by the Minutes and Order in Case D442944 filed May 28, 2015 (see Exhibit D). That mother's payments towards arrears have been inconsistent and have averaged about \$94 per month when she actually pays through wage garnishments by the County of San Diego, Department of Child Support Services when she works. Debtor is also court ordered in a separate to return the \$100 per month for the child support arrears he owes in his son's case, as evidenced by the Minutes and Order filed January 11, 2016 (see Exhibit E).

20. Debtor has no anticipated monies, available income, or resources with which to pay the aforementioned loans and any payments on the identified students loans could be made only at great hardship to the Debtor. Debtor receives public assistance of \$194 per month in the form of food stamps. As such, the Debtor's income is below the national poverty level as established by the U.S. Department of Labor. The assistance by Debtor's aunt or brother and the food stamps barely suffices for the necessities of life and they are on borrowed time to not be able to continue financially supporting the Debtor's basic living expenses.

RELIEF REQUESTED

WHEREFORE, the Plaintiff prays that this Court to adjudge and decree in favor to:

- a. discharge all or designated portions of the described student loan debt in the Plaintiff's related bankruptcy case that has been or was incurred from the named Defendants pursuant to 11 U.S.C. § 523(a)(8)(B);
- b. issue an order forbidding the holders of such loans to attempt to collect any amounts determined to be non-dischargeable otherwise than by sending regular monthly statements that contain no threats or other action for nonpayment;
- c. enjoin the holders or services from attempting to enforce any judgment

otherwise than in accordance with the order prayed for herein;

d. enjoin the holders or servicers from disclosing the Plaintiff's physical address to any person, public or private agency, organization or entity of any type or to any sources of public record, information, or database accessible directly or indirectly without obtaining leave to do so from the Court; and,

e. determine and enter other such further orders and relief as justice may require.

Affidavit of Susana McCann

Statement of Affidavit

STATE OF TEXAS)

)

COUNTY OF EL PASO)

Before me, the undersigned authority, on this day personally appeared Susana McCann who after being by me duly sworn upon her oath to tell the truth, deposed and who appeared capable and able to execute this document, said:

1. "My name is Susana McCann. My name at birth was Susana Habban. I am also known as Susana Esquivel and Susana Esquivel McCann. I am over the age of 18 years old and am of sound mind, capable and fully competent to make this sworn statement."

2. "I have personal knowledge of the facts in this statement and they are all true and correct. If called as a witness, I could and would competently testify thereto."

3. "I understand that if I make any misrepresentations in this statement, I may be held criminally responsible. I make this statement under my own free will and initiative, without undue influence, and without coercion from anyone. I have had the opportunity to talk with an attorney regarding the contents and implications of this statement. I have not been compensated in any way to sign or make this statement."

4. "My date of birth is December 10, 1971. My current mailing address and my mother's residential address is 7955 San Paulo Drive, El Paso, Texas 79915. My daughter, Shaima Azaby, currently resides at the same address."

5. "I submit that all facts in this document regarding Michael Gus McGee, born April 21, 1971, hereinafter this statement that is referred to as

'Mr. McGee.' He is currently accused of sexual assault towards Shaima Ebrahim Easa Azaby, born December 20, 1996, who hereinafter this document that is referred to as 'my daughter.'"

6. "I have reviewed a two-page Supplemental Report – Affidavit Supplement, a Complaint Affidavit by Detective Michael Snow sworn before the El Paso Municipal Court #1 on September 9, 2013 regarding the allegations that Mr. McGee had forced sexual contact with my daughter. I remember the statements my daughter made to police regarding the allegations of Mr. McGee. I also recall the verbal and written statements I made with the El Paso police and Detective Snow regarding the alleged sexual relationship and interest Mr. McGee had with my daughter, but I want to tell the truth by clarifying the details and to retract the inaccurate statements I provided to law enforcement."

7. "My daughter and I met Mr. McGee with his daughter sometime in January 2013. My daughter became friends with Mr. McGee's daughter at Bel Air High School. Mr. McGee's daughter had sleep overs at my mother's residence through May 2013. My daughter did not ever sleep over the residence of Mr. McGee, and she was not ever left unsupervised or unaccompanied with any adult men at any time."

8. "My daughter and I visited Mr. McGee's residence at 1121 Hunter Drive, El Paso, Texas 79915 together on more than several occasions from January 2013. I had helped clean and had access to Mr. McGee's home about twice a month from April 2013 through June 2013 while he was working at University Behavioral Health of El Paso (UBH). It was in early April 2013 that I took blank work/school excuse forms of Mr. McGee's work and other papers from his computer desk at home but without his consent or knowledge."

9. "I met Rosa Coleman, born March 10, 1972, by telephone sometime in early May 2013 and when she came to my residence on June 26, 2013 and July 2, 2013. She is the mother of Mr. McGee's daughter. We talked by

telephone on many occasions. I was aware that she lives in San Diego, California, but Rosa Coleman drove to El Paso, Texas and paid me seven thousand dollars in exchange to make false allegations against Mr. McGee having a sexual interest and relationship with my daughter. I also was present when Rosa Coleman handed money to Marisa Robles Ramos to make up a story as well, but I did not count the money that was exchanged and did not stay to hear the details of their agreement with each other. The reason Marisa Robles Ramos accepted Rosa Coleman's bribe of money in exchange of making up an untrue story against Mr. McGee was based on her fear of being deported to Mexico, because Marisa Robles Ramos learned that Mr. McGee had just filed for divorce on July 11, 2013 and then would not be eligible to stay in the United States as a permanent resident."

10. "I agreed to accept Rosa Coleman's money in exchange to press criminal charges against Mr. McGee with the police, by claiming that I believed he had an intimate interest, sexual relationship and contact with my daughter. It was my job to convince my daughter to lie and make up a story that Mr. McGee had a sexual interest in her and forced my daughter to have sex with him, as a part of my agreement with Rosa Coleman. The goal of Rosa Coleman was to take away primary custody and conservatorship of their daughter from Mr. McGee and to 'get him back and ruin him,' because he had taken complete custody and care of their daughter in a custody dispute when she was in fourth grade."

11. "I remember Rosa Coleman recorded me on her cellular in order to falsely implicate and identify Mr. McGee in having a sexual relationship and interest with my daughter. The recording was made after Rosa Coleman paid me a separate two hundred dollars besides the other money she gave me prior to being recorded and we agreed to what I would say. The details and events in that recording are made up and are completely untrue."

12. "I used the cellular telephone of Mr. McGee to text and call friends and relatives. I used his cellular to send a number of text messages and call my daughter on July 10, 2013 and July 11, 2013. I remember these particular

dates, because the police came to my mother's residence on July 11, 2013 to take my daughter to the juvenile detention center."

13. "I handed a post it note dated July 28, 2013 to Mr. McGee. The note's purpose was to share I decided to withdraw false statements I made to police regarding the accusations I made regarding Mr. McGee's sexual relationship, contact and sexual interest with my daughter, because it was not a fact."

14. "By this mention, I am withdrawing and fully retract all of my verbal and signed statements made to El Paso police officers and detectives from June 2013 through September 2013 regarding a sexual relationship and inappropriate, sexual contact by Mr. McGee towards my daughter. The statements I made to law enforcement personnel regarding the allegations by Mr. McGee with or to my daughter are completely inaccurate and did not happen."

15. "I have confirmed with my daughter that sexual contact by Mr. McGee did not occur on May 29, 2013 or any other date. I am aware that my daughter went to school, went home to my mother's home after school, then stayed home the night of May 29, 2013, just like many other nights. I became aware that my daughter ran away from El Paso, Texas on May 29, 2013 at a very late hour. It is my understanding Mr. McGee was at work the night of May 29, 2013. I verified and confirmed with my daughter that she did not see or talk with Mr. McGee before or during her run away."

16. "I apologize that I charged the Visa debit card of Mr. McGee without his consent. I took the card from his car on June 8, 2013, but he did not know I had used the card until a later date. I charged and used his card to buy clothes, gas, and fast food. I became aware that Mr. McGee had made a police report about the stolen card. I made a statement with police that Mr. McGee allowed me to use his card, but this was an inaccurate statement."

17. "I remember the residence of Mr. McGee was burglarized on July 6, 2013. The friends of Mr. McGee's daughter and I broke into the back sliding glass door to steal a variety of things from his residence. I stole Mr. McGee's lab top, blank stationery and papers in order to use later, blank forms and papers from his work, and school and office supplies like envelopes. The friends took clothing, jewelry, flat screen television, and dvd movies from Mr. McGee's home, and we split the money among us. I later told Mr. McGee that Juan Tinajera, Adriana Meza, and another teenage boy had burglarized his residence. I was later informed that Mr. McGee made a police report regarding the burglary."

18. "My daughter was never signed out to be discharged from any emergency hospital or health clinic at any time by Mr. McGee. He did not ever impersonate being a relative of ours in order to have my daughter released to him. I never observed and was never informed by anyone that Mr. McGee gave my daughter medications or pills of any kind. My daughter verified with me that Mr. McGee did not provide her any type of pills at any time. I submit that my daughter was signed out and discharged from all hospitals and emergency visits by me or my parents."

19. "My daughter was never signed out to be released from school at any time by Mr. McGee. He did not ever impersonate being a relative of ours in order to have my daughter signed out from school. The only persons authorized to have our daughter released from school were those persons listed on my daughter's emergency card maintained by the school. The attendance office would always verify identification then match that named person authorized on the emergency card prior to releasing any student. Mr. McGee was not ever listed on my daughter's release card. I verify that Mr. McGee did not complete, sign, or give me or my daughter a note from University Behavioral Health (UBH) of El Paso to be excused from school at any time. I asked a friend not known to Mr. McGee, and without his knowledge, to write that my daughter was at an appointment at UBH in order to excuse my daughter's absence from Chapin High School in April 2013."

20. "My husband and I signed a letter of agreement with an adult male from craigslist to make monthly payments towards the use of a black car. Mr. McGee did not loan or give me money towards this arrangement, and he did not buy or give my daughter a car, clothing, or gifts. I confirm that Mr. McGee did not buy my daughter flowers, and despite my plan to have my daughter get married to Mr. McGee, he refused. I drew a heart with my initials 'SM' on an old floral arrangement card I had received from someone else. I showed the card to police in order to falsely accuse Mr. McGee of having a sexual interest and relationship with my daughter."

21. "I prepared and mailed letters to my daughter while she was incarcerated in El Paso Juvenile Detention from July 11, 2013 to August 2, 2013. I mailed three unsigned letters dated July 15, 2013, July 18, 2013, and July 27, 2013 to my daughter while she was in the juvenile detention. The letters were not typed or mailed by Mr. McGee. I asked a friend of mine not known to Mr. McGee to address the envelopes to my daughter and to have them be from 'Concepcion Sonata.' I used the blank sheets of stationary, envelopes, and lab top I had taken from the house of Mr. McGee to type and send the letters to my daughter. My intention was to make it appear as if Mr. McGee was interested in her and that those were love letters to my daughter."

22. "My daughter adamantly confirmed with me even as recently as yesterday that she was not ever intimate with Mr. McGee, that he did not ever touch her in a sexual manner, and that he did not have sexual contact with her at any time. I, therefore, do not believe my daughter was a victim of sexual assault by Mr. McGee. I recall my daughter getting so angry at me for falsely accusing her of having a sexual relationship with Mr. McGee that she hit and bit me on July 11, 2013 and was arrested for family violence because of her conduct towards me."

23. "It was July 11, 2013 that my daughter and I got into a verbal argument and physical altercation due to my demand that she falsely accuse Mr. McGee of sexual misconduct. My daughter firmly denied that she had sexual contact or a sexual relationship with Mr. McGee when the officer first

arrived in to our residence. Just before the police showed to my mother's house, I warned and threatened my daughter to lie that she was forced to have sex by Mr. McGee or else I would demand that she be locked up in an isolation jail cell at the juvenile center, that I demand the judge at juvenile to prolong her time in jail, then I would make her life impossible after her release. I was able to pressure my daughter to lie that Mr. McGee had sexual contact with the police. I threatened my daughter to make up a story with the police, to say Mr. McGee had a sexual interest in her and forced her to be intimate with him."

24. "I submit that Rosa Coleman paid me a lot of money on the dates she saw me at my mother's house and other locations. She paid me money in exchange to file false statements and made up stories with the police in order to get Mr. McGee arrested and to lose custody of his daughter. Rosa Coleman left it up to me to come up with the details of what I would tell the police and how I would force my daughter to lie about Mr. McGee having a sexual relationship and inappropriate, sexual contact with her."

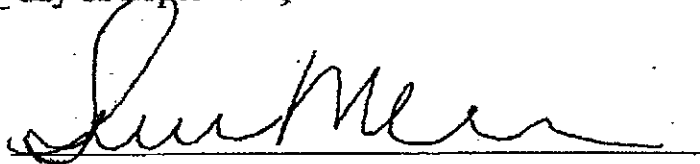

25. "I take full responsibility for my actions that I have herein described, but that I now deeply regret. I apologize for the lies, made up stories, and false statements I and my daughter have made to police regarding Mr. McGee, but I allowed Rosa Coleman to buy and use me. The three letters I had mailed to my daughter while she was in the juvenile center, my part in the burglary of the Mr. McGee's residence, my false statements made to law enforcement, the floral card I showed police, and my part in coercing my daughter to lie that Mr. McGee had a sexual relationship and forced sexual contact was to fulfill my end of the agreement made with Rosa Coleman."

26. "I know my actions by lying as herein explained was not right. I am ready to testify in open court regarding to the truthfulness of the contents within this statement and am prepared to be accountable for my actions. I, therefore, withdraw my request to press criminal charges against Mr. McGee. I ask that Mr. McGee be cleared of all allegations regarding my daughter's sexual assault and that the charges against him be dismissed."

27. "I verify that I have read and reviewed this statement consisting of twenty seven points and eight pages. I declare and swear that the foregoing affidavit is true and correct, under the penalty of perjury in and for the State of Texas."

And further, affiant saith not.

In witness whereof, this 26TH day of September, 2013.

Susana McCann

ACKNOWLEDGMENT

I was aware that my mother had cleaned the defendant's house from April 2013 to June 2013 while he was at work, but I do not know the dates or how many times."

9. "I verify that on or about July 11, 2013, my mother coerced me to accuse the defendant of having a sexual relationship and sexual contact with me to the police. 10. "I verify it is my request to retract all of my statements made to law enforcement from July 2013 through September 2013 regarding any sexual and inappropriate contact by the defendant to me. My statements made to law enforcement personnel regarding the allegations of sexual assault and any sexual contact by the defendant are not true and did not happen."

11. "I verify I felt forced and was compelled by my mother to make false allegations against the defendant regarding the alleged sexual contact. The text messages were and are true and correct."*

14. *"I verify that on May 29, 2014 I sent a message from my Facebook account to the account of the defendant, indicating 'Michael I'm Very Sorry For Everything. Alot Has Happened and Did Alot Of Things I Never Wanted To Do But Was Forced Too.' The message was to tell the defendant that I was forced by my mother to lie about the allegations of the sexual contact with me."*

15. *"I verify that my statements made to law enforcement about the alleged sexual contact were and is untrue. It is not true that the defendant had inappropriate, sexual contact with me on May 29, 2013 or at any other time. On May 29, 2013, I went to school, then went home to my grandmother's home after school, and then stayed home that evening and night. I did not even talk with the defendant on this date."*

16. *"I verify that I do not recall the exact time but during the very late night of May 29, 2013 I ran away from my grandmother's house. I ran away while my sister and grandmother fell asleep. I remained away until on or about June 10,*

17. "I verify that I did not report to police or anyone that the defendant was sexually inappropriate or had sexual contact with me before my run away or during my absence. I had more than enough time and opportunity to make a report to law enforcement if I had been a victim of sexual assault, but I did not make a police report because the defendant did not ever touch me, was not ever inappropriate with me, and did not ever have sexual contact with me in any way or at any time."

18. "I verify that I became aware that on July 6, 2013 the residence of the defendant was burglarized and many items were stolen, including but not limited to a lab top, stationery, papers, blank forms and papers from his work, envelopes, jewelry, and money."

19. "I verify that I was never signed out to be released from school at any time by the defendant. I was never informed by anyone that he pretended to be my uncle or relative in order to have me checked out from school. It is my understanding that the defendant was never placed on my emergency card by my mother or grandmother as a person authorized to sign me out from school. The defendant did not ever give me a note from University Behavioral Health of El Paso (UBH) to be excused from school. It was my mother that delivered a note from UBH to excuse me from school sometime in April 2013."

20. "I verify that I was never signed out to be released from a clinic or emergency room by the defendant. I was never informed and am unaware that the defendant pretended to be my uncle or relative. I did not see and I am not aware of the defendant giving or loaning my mother any money to get a black car. I did not ever receive money, clothing, or gifts from the defendant, and the defendant did not ever loan or buy me a car."

22. "I verify that I did not ever receive flowers from the defendant. I want to clarify that the initials 'SM' did not mean 'Shaima' 'Michael.' It was my mother that got flowers, she wrote the initials, and she put a heart around the initials on a floral arrangement card. My mother often used the initials 'SM' for her name, Susana McCann."

23. "I verify that I was detained in El Paso County JPD from July 11, 2013 to August 2, 2013 and other dates. It is my understanding that my mother mailed at least three typed letters to me while I was detained. My mother showed me a copy of three letters that were dated July 15, 2013, July 18, 2013, and July 27, 2013, sometime in August 2013, but were not signed. The three letters had the name 'Concepcion' or 'Concepcion Sonata' typed on the letters. I do not believe the letters were written or mailed by the defendant, because the letters do not sound or appear like they came from him. My mother explained to me that she was paid to type and mail made up letters to me while I was in juvenile detention."

24. "I verify that the defendant did not ever touch me or have sexual contact with me in any way or at any time. He did not ever insert any part of his body into mine and did not touch my private parts with any part of his body. The defendant did not have an inappropriate, sexual relationship with me at all. In the interest of justice, the defendant should be cleared of the false accusations and charge that was filed against him in the indictment from Texas Cause No. 20130D04851."

25. "I verify that the defendant or his court appointed attorney did not ever contact me to verify the allegations in the Complaint Affidavit prepared September 5, 2013 (sworn on September 9, 2013) or Indictment filed September 25, 2013. The defendant also has not contacted me in any way from about August 20, 2013 to now. If the defendant's attorney or prosecutor would have contacted me in order to verify the allegations of sexual contact, I would have signed a statement that the

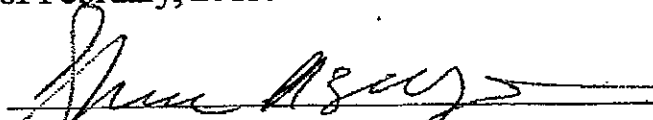

details and circumstances described in the complaint affidavit and indictment are not true and the defendant is not guilty of the alleged charge."

26. "I verify that it is my expressed desire that the charge of sexual assault in Case No. 20130D04851 in the matter against the defendant that was before the 171st Judicial District Court of El Paso County, Texas be dismissed. It is not right or fair to have the defendant, Michael Gus McGee, to be prosecuted for a crime he did not commit."

27. "I verify that I have read and reviewed this statement consisting of six pages. I declare and swear that the foregoing affidavit is true and correct, under the penalty of perjury in and for the State of Texas."

And further, affiant saith not.

In witness whereof, this 25 day of February, 2015.

Shaima Ebrahim Easa Azaby
